

STREAMING & VIDEO PROGRAM

Game Development Enrichment Program

A small-group creative learning experience in streaming, video production, storytelling, confidence, and digital communication.

Create. Record. Share your story.

SESSION LENGTH

1.5 hours

Hands-on guided practice

GROUP SIZE

Max 6

Small pilot cohort

PROGRAM FEE

\$125

Per participant/session

PROGRAM OVERVIEW

The Game Development Enrichment Program introduces participants to the exciting world of game design and creation. Through hands-on activities and AI-assisted tools, participants learn the fundamentals of game theory, design, and development while bringing their own ideas to life.

GOOD FIT FOR

- Participants who enjoy video games, technology, creative storytelling, or digital art.
- Individuals who benefit from a structured, supportive, small-group setting.
- Participants interested in problem solving, creativity, and learning new digital skills

WHAT TO BRING

- Curiosity and a willingness to try something new.
- A laptop or tablet is welcome, but not required.
- All necessary software and materials will be provided.

PARTICIPANTS WILL PRACTICE

- Game theory basics: goals, rules, challenges, and player motivation.
- Design thinking: brainstorming, storyboarding, and character design.
- AI-assisted development: using simple, accessible tools to create game assets, code logic, and test gameplay.
- Playtesting and feedback: improving and refining their games.
- Communication and confidence: sharing ideas and presenting finished projects.

SAMPLE SESSION FLOW

- Welcome and creative prompt of the day.
- Mini-lesson: game design concept or AI tool.
- Hands-on development time (with guidance).
- Playtesting and group feedback.
- Reflection and next-step ideas.

PROGRAM OUTCOMES

Participants build problem-solving skills, creativity, and confidence while learning to design and develop their own simple games using modern, accessible technology and AI tools.

Limited pilot openings available

This program is being offered in partnership with Next Steps
